A diagram of a standard QWERTY keyboard layout. The function keys are arranged in a grid: F1-F4 in the top row, F5-F8 in the second row, F9-F12 in the third row, and F13-F15 in the fourth row. Below the function keys are two volume control buttons labeled 'Vol' with up and down arrows, and a single arrow key. To the right of the function keys are two rows of arrow keys: the top row has four arrow keys (left, up, down, right) and the bottom row has three arrow keys (left, up, down).
